

**Sand Lake Imaging  
JLR Medical Group  
Pre-Procedure Responsibilities**

1. When to Report: Date \_\_\_\_\_ Time \_\_\_\_\_
2. What to Wear: No metal buttons, snaps and zippers. Clothing: Infants and toddlers- bring extra diapers/pull ups. Dental appliances/braces- remove rubber bands between upper and lower brackets. Contact lenses, hairpins, piercings, jewelry should be removed before procedure.
3. Valuables: Leave any valuables at home. Please bring child's favorite stuffed animal and/or blanket.
4. Diet:
  - a. Infants – no solids after midnight. May have formula up to six hours or breast milk up to four hours before procedure. May have clear liquids- pedialyte, apple juice or water up to three hours before procedure.
  - b. Toddlers/Children/Adults- No solids or non-clear liquids after midnight. May have clear liquids- water, non-pulp containing juices, Gatorade, coffee/tea without cream up to three hours before procedure.
  - c. No chewing gum or mints in the three hours before surgery.
  - d. Failure to follow the above will result in cancellation of the procedure.
  - e. Give child their liquid medications, especially seizure medications the morning of surgery. Pills can be taken with a sip of water. Please take heart and blood pressure medications the morning of surgery. May brush teeth but do not swallow water.
5. Escort: For children, a parent or legal guardian must be present. For adult patients, please have an escort to drive you to the appointment and home. **You WILL NOT BE ALLOWED TO DRIVE HOME AFTER SEDATION.**
6. We will need a history and physical exam from your (child's) physician that is less than 30 days old on the day of surgery. Failure to have this will result in cancellation of the procedure.
7. I understand that there will be a separate bill from JLR Medical Group for providing sedation for the procedure.
8. I understand that I may have an opportunity to speak to an anesthesiologist regarding sedation for the procedure prior to the day of the procedure. The anesthesiologist that I speak to may or may not be the anesthesiologist responsible for my care the day of surgery. If I wish to speak to an anesthesiologist I may call 407-667-0444 ext. 128 between the hours of 8AM to 4PM, Monday thru Friday.

*I have received a copy of the above responsibilities and instructions and will abide by them.*
